

FAIPS(DPS)-IGCSE Students Shine Again in CAIE

Fahaheel Al Watanieh Indian Private School came into the spotlight once again when its students produced outstanding results in the IGCSE Board Exam conducted in Oct/Nov 2020. The examination, scheduled for May/June 2020, was postponed due to the pandemic situation. But the 75 students of IGCSE who appeared for the exam, worked diligently and patiently to reap a rich haul of A* and A grades in various subjects, surpassing all fears and uncertainties.

The dedicated efforts of the students mentored by committed teachers has produced this excellent result. The Principal, Mr. Ravi Ayanoli congratulated the students on their stupendous performance and wished them continued success. He appreciated the IGCSE teaching fraternity and thanked them in making this success possible even during these difficult times of pandemic. On behalf of the management, he also expressed his heart felt gratitude to the Ministry of Private Education and the British Council, Kuwait, for giving support to conduct the examination in the School campus.
